Payyappilly
Natural Extracts

Payyappilly Natural Extracts is located approximately in the middle east of the state of Kerala, south India. where it is well known as the hub of the spice of the world. From the ancient era of Babylonians, Kerala attracted the world to her soil with delicious flavors and Fragrances. Still, we are keeping the legacy of these spices with their uniqueness in purity and quality.

We are a sophisticated essential oil manufacturing company distilling quality essential oils from sorted quality Indian Spices. We have a team of well-experienced technicians and professionals to meet the requirements and tastes of each and every customer.
